Before first use

- Remove packaging carefully. Keep blades and sharp tools away from the upholstery and timber.
- Place the chair on a dry, level indoor surface and check that all four legs sit evenly.

Everyday use

- Use as a single-person chair. Do not stand on the seat or rock on two legs.
- Lift beneath the seat frame when moving it. Do not drag the chair or pull it by the back.

CARE & MAINTENANCE

Simple care for everyday dining

Your selected upholstery and wood finish may have their own care requirements. When in doubt, contact ROCO before applying a cleaning product.

Cushioning	Fixed seat and back padding will soften gradually with regular use. Avoid standing, kneeling or placing concentrated weight on the cushioned areas.
-------------------	---

Upholstery	Vacuum gently with a clean upholstery attachment. Limit prolonged direct sunlight to help reduce fading and uneven colour change.
-------------------	---

Spills	Blot promptly with a clean, colourfast absorbent cloth. Work gently from the outside inward. Do not rub, scrub or saturate the fabric.
---------------	--

Cleaning	Do not use bleach, acetone, thinner, abrasive cleaners, excessive water or unapproved steam cleaning. Contact ROCO if treatment is uncertain.
-----------------	---

Wood frame and legs	Dust with a soft, dry cloth. For light marks, use a barely damp cloth and dry immediately. Do not soak the timber or remove the fixed legs.
----------------------------	---

PLACEMENT & SUPPORT

Use it well. We will stand behind it.

The Noble is intended for indoor residential dining use in a dry, well-ventilated setting.

Important precautions

- Keep the chair away from damp walls, water sources, heaters, open flames and prolonged direct sunlight.
- Do not allow children to climb on the chair or rock it on two legs. Keep pets and sharp objects away from the upholstery.
- Do not drill, dismantle, reupholster or arrange structural repair without written guidance from ROCO.
- If the chair becomes unstable, develops unusual movement or makes a persistent structural noise, stop using it and contact ROCO.

Warranty guidance

Your chair is supported by the ROCO Confidence Warranty and any product-specific terms confirmed on your product page, quotation, invoice or written order confirmation. Coverage is component-specific and applies to eligible manufacturing, material or workmanship defects. ROCO normally begins with assessment, adjustment, repair or replacement of the affected component.

Normal wear, gradual foam softening, fabric fading, stains, scratches, moisture damage, accidental damage, misuse and damage linked to unauthorised repair or modification are not normally manufacturing defects. Please report visible delivery concerns within 48 hours and do not return or repair the chair before receiving instructions from ROCO.

ROCO CUSTOMER CARE

Need assistance?

Contact us early if something does not look, feel or perform as expected. Clear information helps us assess the concern more quickly.

When to contact us

- Report visible transit damage, a wrong item or a major visible delivery concern within 48 hours of delivery.
- Stop using the chair and contact ROCO if it becomes unstable or develops unusual movement or persistent structural noise.
- Report a hidden manufacturing, material or workmanship concern during the warranty period applicable to your order.

What to share

Please share your order or invoice number, the product name, clear photographs of the complete chair and the affected area, and a short video if the concern involves movement or noise.
