

OWNER'S MANUAL | SKU FW-460

Frost 2 Door Wardrobe

Designed for organised everyday storage in a compact footprint. Regular care helps preserve the finish and smooth operation.

Product at a glance

OVERALL SIZE 30 in W x 20 in D x 72 in H 76.2 x 50.8 x 182.9 cm	STORAGE 1 hanging rail, 1 shelf 2 lower drawers
WEIGHT Approximately 55 kg	ASSEMBLY Delivered fully assembled
CONSTRUCTION Plywood body with solid Kikar reinforcement	FRONTS Laminated MDF doors and drawer fronts

Before first use

- Remove packaging carefully. Keep blades and sharp tools away from the laminated surfaces and edges.
- Check the delivery path, then place the wardrobe on a dry, level indoor surface. Move it empty with at least two adults, lifting from the fixed base.

Everyday use

- Distribute clothing and stored items sensibly, open one drawer at a time, and never climb, sit or place body weight on the doors, handles or drawers.

CARE & MAINTENANCE

Simple care for a clean, lasting finish

Frost is designed for dry indoor use. Gentle cleaning and sensible loading will help keep the surfaces, doors and drawers working as intended.

Laminated fronts

Dust with a soft, dry cloth. For light marks, use a lightly damp cloth and dry the surface immediately. Avoid abrasive pads and harsh chemicals.

Body & edges

Keep plywood and panel edges dry. Do not allow water to pool around joints, the plinth or the back of the wardrobe.

Spills

Wipe spills promptly with a clean, absorbent cloth. Do not saturate the surface or use bleach, thinner or solvent-based cleaners.

Doors & drawers

Use the handles and close gently. Keep hinges and drawer channels free from dust. Do not force or lubricate hardware unless ROCO advises it.

Interior

Store dry belongings only and avoid overfilling shelves, drawers or the hanging rail. Allow the interior to air naturally from time to time.

PLACEMENT & SUPPORT

Use it well. We will stand behind it.

The Frost wardrobe is intended for indoor residential use in a dry, well-ventilated setting.

Important precautions

- Keep the wardrobe away from damp walls, water sources, heaters, open flames and prolonged direct sunlight.
- For added safety, arrange suitable anti-tip anchoring for your wall type, especially in homes with children. Do not allow climbing on the doors or drawers.
- Do not drill, dismantle, alter hardware or arrange structural repair without written guidance from ROCO.
- If the wardrobe becomes unstable or a door, drawer or hinge develops a persistent issue, stop using the affected part and contact ROCO. Move the wardrobe empty with at least two adults.

Warranty guidance

Covered under the ROCO Confidence Warranty: 12 months on eligible plywood, laminated MDF and standard hardware, and 6 months on eligible indoor finish defects. ROCO follows a repair-first approach.

Normal wear, moisture damage, misuse, improper cleaning and unauthorised alterations are excluded. Product- or order-specific written terms apply where confirmed. Report visible delivery concerns within 48 hours and contact ROCO before repair or return.

ROCO CUSTOMER CARE

Need assistance?

Contact us early if something does not look or perform as expected. Clear information helps us assess the concern quickly.

When to contact us

- Report visible transit damage, a wrong item or a major delivery concern within 48 hours.
- Contact ROCO if the wardrobe becomes unstable or develops a persistent door, drawer, hinge or structural issue.
- Report hidden manufacturing, material or workmanship concerns during the applicable warranty period.

What to share

Share your order or invoice number, the product name, clear photos of the complete wardrobe and affected area, plus a short video if the concern involves movement, alignment or noise.
