

OWNER'S MANUAL | SKU GFWW-459

Graino Fluted Wooden Wardrobe

Designed for generous storage with a distinctive fluted finish. Regular care helps preserve its surfaces and smooth operation.

Product at a glance

OVERALL SIZE 150 cm W x 62 cm D x 200 cm H 59.1 in W x 24.4 in D x 78.7 in H	STORAGE 2 hanging rails 2 internal shelves
ASSEMBLY Delivered fully assembled	CONSTRUCTION Plywood body with solid Kikar reinforcement
DOOR FRONTS Fluted laminated MDF	FINISH Walnut-toned fronts Black carcass

Before first use

- Remove packaging carefully. Keep blades and sharp tools away from the fluted fronts, edges and hardware.
- Place the wardrobe on a dry, level indoor surface. Check doorway, lift and staircase clearance before delivery.

Everyday use

- Open and close the doors by the handles. Distribute clothing across both hanging sections and shelves without overloading.
- Do not climb, hang from doors or handles, or place body weight on shelves. Move only when empty; never drag.

CARE & MAINTENANCE

Care that protects the fluted finish

Graino is intended for dry indoor use. Gentle cleaning and sensible loading help protect the fluted fronts, laminated surfaces and hardware.

Fluted fronts	Dust along the grooves with a soft microfiber cloth or soft brush. Avoid hard bristles, abrasive pads and forceful scrubbing.
Laminated surfaces	For light marks, use a lightly damp cloth and dry immediately. Do not use bleach, thinner, solvent cleaners or excessive water.
Moisture	Wipe spills promptly and keep panel edges, the plinth and the rear of the wardrobe dry. Avoid placing the unit against a persistently damp wall.
Doors & hinges	Use the handles and allow the soft-close hinges to work naturally. Do not force, oil or adjust the hinges unless ROCO advises it.
Interior	Store dry garments only. Keep the hanging rails and shelves within normal household use and allow the interior to air periodically.

PLACEMENT & SUPPORT

Stable placement matters.

The Graino wardrobe is intended for indoor residential use in a dry, well-ventilated setting.

Important precautions

- Keep the wardrobe away from damp walls, water sources, heaters, open flames and prolonged direct sunlight.
- Arrange suitable anti-tip anchoring for the wall type. Do not allow children to climb or use shelves as steps.
- Do not drill, dismantle or alter hinges or structural parts without written guidance from ROCO.
- If the wardrobe becomes unstable or a door or hinge develops a persistent issue, stop using the affected part and contact ROCO.
- For relocation, empty the wardrobe and use experienced assistance. Lift from the base; never drag or lift by doors or handles.

Warranty guidance

ROCO covers Graino for 12 months on eligible structural assembly and standard hardware, plus 6 months on eligible laminate and finish defects. Verified issues are handled through ROCO's repair-first process.

Normal wear, moisture damage, misuse, improper cleaning and unauthorised alterations are excluded. Product- or order-specific written terms apply where confirmed. Report visible delivery concerns within 48 hours.

ROCO CUSTOMER CARE

Need assistance?

Contact us early if something does not look or perform as expected. Clear information helps us assess the concern quickly.

When to contact us

- Report visible transit damage, a wrong item or a major delivery concern within 48 hours.
- Contact ROCO if the wardrobe becomes unstable or develops a persistent door, hinge, shelf, rail or structural issue.
- Report hidden manufacturing, material or workmanship concerns during the applicable warranty period.

What to share

Share your order or invoice number, the product name, clear photos of the complete wardrobe and affected area, plus a short video if the concern involves movement, alignment or noise.
