CARE & MAINTENANCE

Care for the soft finish

The Mirelle's rounded upholstery needs gentle, regular care - especially along the panel joins and lighter fabric areas.

Product-specific care

BUBBLE PANELS	Use a low-suction soft-brush vacuum attachment along the rounded panels, joins and grooves where dust settles first.
LIGHT UPHOLSTERY	Blot spills immediately with a clean white absorbent cloth. Do not rub, as this can spread the mark into the texture.
TEXTURED SURFACE	Use a soft fabric brush or gentle lint roller for surface lint. Avoid hard brushing, picking or pulling at raised fibres.
SPOT CLEANING	Test any cleaner on a hidden area first. Apply sparingly to a cloth rather than spraying directly onto the upholstery.
TRANSFER MARKS	Keep wet towels, hair oils, dyes and strongly coloured unwashed textiles away from the headboard, especially on lighter shades.
DEEP STAINS	Do not soak, steam aggressively or scrub set-in stains. Use professional upholstery cleaning when a mark cannot be safely lifted.

Side table care

Dust the matching bedside tables with a soft dry cloth. For light marks, use a barely damp cloth and dry immediately; avoid excess moisture and overloading drawers.

PLACEMENT & SUPPORT

Use it well.

The Mirelle is intended for indoor residential use in a dry, well-ventilated setting.

Important precautions

- Keep the bed away from damp walls, water sources, heaters, open flames and prolonged direct sunlight.
- Do not allow children to climb or play on the padded headboard or frame. Keep pets and sharp objects away from the upholstery.
- Do not drill, cut, reupholster or arrange third-party structural repair without ROCO guidance. If the bed becomes unstable after assembly, stop use and contact ROCO.

Warranty guidance

The Mirelle Bubble Bed Set is supported by the ROCO Confidence Warranty and the product-specific terms confirmed with your order.

FRAME & SUPPORT	Eligible internal wooden frame components, structural joinery and fixed support elements may receive coverage of up to 24 months.
UPHOLSTERY & HARDWARE	Eligible upholstery workmanship, stitching, standard fittings and hardware may be covered for up to 12 months.
FABRIC	Eligible manufacturing or material defects affecting ROCO-supplied upholstery fabric may be covered for up to 6 months.
