CARE & MAINTENANCE

Care For The Boucle, Panels & Side Tables

Mirelle has a softly shaped upholstered surround and fitted bedside drawers. Gentle cleaning protects the textured fabric and the neat joins between panels.

BOUCLE SURFACE	Gently vacuum with a soft upholstery nozzle at low suction. Avoid stiff brushes.
ROUNDED PANELS	Clear dust along each cushion edge and headboard join without pressing the foam.
LOOPS & SEAMS	Never pull loose yarn loops or stretch stitched edges. Ask ROCO for repair advice.
SPILLS & MARKS	Blot quickly with a clean white cloth. Avoid rubbing, soaking, bleach or steam.
PADDED RAILS	Do not stand, sit or place heavy objects on the upholstered footboard or sides.
BEDSIDE TABLES	Use coasters on finished tops; open drawers straight and avoid overloading.
RELOCATION	Remove the mattress, empty drawers and lift from the internal supporting frame.

PLACEMENT & SUPPORT

Room To Fit. Care To Keep.

Mirelle is intended for dry indoor rooms. Its padded sides add to its footprint: confirm the full outside dimensions and mattress opening against your approved order.

Important Precautions

- Leave space beside the upholstered frame and for opening both bedside drawers.
- Keep padding away from damp walls, heaters, flames and prolonged direct sunlight.
- Do not let children climb the panels or drawers. Stop using loose or damaged fittings.
