

OWNER'S MANUAL

Soreven Archline Bed Set

Designed around a tall framed wooden headboard with softened upper corners, a recessed inner panel and a grounded low-profile base. Simple care helps preserve the Soreven's dark wood finish, alignment and structural stability.

Product at a glance

SET INCLUDES 1 Soreven Archline Bed + 2 matching side tables	SIZES King: 72 in W x 78 in L x 44 in H Queen: 66 in W x 78 in L x 44 in H
HEADBOARD Tall framed wooden headboard with rounded upper corners and recessed panel	ASSEMBLY Delivered in parts; assembly required after delivery
FINISH ROCO wood stain / polish tone confirmed with your order	MATTRESS Not included

Before first use

- Remove packaging carefully. Keep blades, metal tools and rough materials away from the finished headboard, rounded edges and side-table surfaces.
- Assemble the bed and side tables on a dry, level indoor surface using the supplied fittings. Tighten connections evenly without forcing them.
- After assembly, check the headboard alignment, frame stability, side tables and visible hardware. Report visible delivery concerns within 48 hours.

Everyday use

- Use the bed for normal sleeping and sitting. Do not stand, jump or climb on the headboard, frame or bedside tables.
- When moving the bed, remove the mattress and lift from the lower frame with several people. Never drag the bed or lift it by the headboard.

CARE & MAINTENANCE

Care for the dark wood finish

The finish selected for your order may have its own care requirements. When in doubt, contact ROCO before applying cleaner, polish, wax or conditioning products.

Dark finish	Dust frequently with a soft, dry microfiber cloth. Darker finishes show dust and fingerprints quickly, so wipe gently along the grain instead of repeatedly rubbing one spot.
Headboard detail	Use a soft cloth or clean detailing brush around the rounded upper corners and recessed inner panel. Avoid sharp tools, abrasive pads and hard pressure along the framed edges.
Spills	Wipe liquid promptly with a clean absorbent cloth, then dry the area. Do not allow moisture to sit on the headboard, rails, joints, base or side-table tops.
Finish protection	Avoid bleach, solvents, abrasive cleaners, silicone furniture-polish sprays and excessive water. Use coasters or mats under drinks and hot objects on the side tables.
Sun & moisture	Keep the set away from prolonged direct sunlight, damp walls and standing moisture. These can alter the wood tone or damage the finish over time.
Fittings	After assembly and periodically thereafter, check accessible fasteners and side-table hardware. If movement, looseness or persistent noise develops, stop use and contact ROCO.

PLACEMENT & SUPPORT

Use it well.

The Soreven is intended for indoor residential use in a dry, well-ventilated setting.

Important precautions

Keep the bed away from damp walls, water sources, heaters, open flames and prolonged direct sunlight. Uneven moisture, heat and strong light can affect wood and applied finishes.

Do not allow children to climb or play on the tall headboard. Avoid concentrated impact on the rounded upper corners, recessed panel and exposed wooden edges.

Do not drill, cut, refinish or structurally modify the bed without ROCO guidance. Do not arrange third-party structural repair before contacting ROCO.

Use side tables on a level surface and avoid overloading drawers or placing wet items directly on the finished tops.

Warranty guidance

The Soreven Archline Bed Set is covered against eligible manufacturing, material and workmanship defects under the ROCO Confidence Warranty and the product-specific terms confirmed with your order.

STRUCTURE	Coverage follows the confirmed construction. Qualifying solid-wood principal structure may receive up to 24 months; manufactured or mixed structural assemblies generally receive 12 months.
HARDWARE & FITTINGS	Eligible standard hardware, support fittings and functional components may be covered for up to 12 months.
WOOD FINISH	Eligible manufacturing-related defects affecting ROCO-applied indoor stain, polish, lacquer or surface finish may be covered for up to 6 months.

Normal wear, scratches, impact marks, fading, water marks, moisture damage, pests, misuse, unsuitable cleaning and unauthorized modification are not manufacturing defects. Final coverage follows the written terms confirmed with your order.

ROCO CUSTOMER CARE

Need assistance?

Contact us early if something does not look, feel or perform as expected. Clear information helps us assess the concern more quickly.

When to contact us

- Report visible transit damage, a wrong item or a missing major component within 48 hours of delivery.
- Report missing fittings, levelling or alignment concerns noticed during assembly within 7 days.
- Contact ROCO if the bed develops persistent movement or noise, a fitting stops operating normally, or the finish shows an unexpected manufacturing issue during the applicable warranty period.

What to share

Please share your order or invoice number, product name, selected size and finish, clear photographs of the complete bed and affected area, and a short video where movement, noise or alignment is involved. For assembly concerns, include a clear photo of the relevant fittings.
