

OWNER'S MANUAL

Cressa Curve Boucle Bed Set

Cressa's broad, rounded headboard is dressed in fine-loop bouclé. The low, softly padded frame carries the curve around the bed, while sculpted Sheesham corner legs add contrast. Two fluted wooden bedside cabinets complete the set.

Before First Use

- Check the bed, both tables and supplied fittings at delivery. Report any visible damage or missing items within 48 hours.
- Verify the selected mattress size and room clearance. Listed dimensions are not a substitute for checking the assembled bed.

CARE & MAINTENANCE

Care For Bouclé And Wood

Cressa combines loop-textured upholstery, curved padding and exposed wooden details. Regular, gentle care helps preserve the fabric, shaped feet and fluted bedside drawers.

DUST & CLEAN

Vacuum upholstery gently using a soft brush on low suction. Use a dry cloth to dust wood.

SPILLS & MARKS

Blot spills at once with a clean, dry cloth. Avoid rubbing, soaking or unapproved cleaners.

FABRIC LOOPS

Keep sharp objects, jewellery and pet claws away from the bouclé to prevent snags.

WOOD DETAILS

Wipe Sheesham feet and finished wooden cabinets with a soft cloth. Avoid abrasives and standing water.

LIGHT & HEAT

Protect the fabric and wood from damp walls, heaters and prolonged direct sunlight.

MOVING THE SET

Empty the tables and remove the mattress first. Lift separated frame parts; do not drag them.

PLACEMENT & SUPPORT

Set It Well. Keep It Secure.

Cressa is intended for dry indoor residential use. Its upholstered curves and exposed wooden supports require a level floor, proper clearance and secure assembly.

Placement & Assembly

- Check access and listed dimensions: King 183 x 198 x 102 cm; Queen 168 x 198 x 102 cm.
- Have ROCO or an approved installer secure the rails, supports and fittings before use.
- Use the mattress size confirmed for your order. Keep clear space for opening the drawers.
- Avoid jumping on the bed or leaning heavily on the curved headboard. Stop use if it feels unstable.

Warranty Guidance

The ROCO Confidence Warranty addresses qualifying manufacturing and workmanship defects by component. Frame assemblies, Sheesham legs, upholstery, finishes and drawer hardware follow the applicable written terms.

ROCO may inspect, adjust, repair or replace an eligible part. Normal wear, pilling, stains, scratches, moisture damage, misuse and unauthorised repairs are excluded.

Report visible transit damage within 48 hours. Your confirmed order terms apply.

ROCO CUSTOMER CARE

Need Assistance?

Contact ROCO if a frame fitting feels loose, an upholstery seam develops a fault or a bedside drawer no longer moves properly. Your order details and clear photographs will help us review the concern.

When To Contact Us

- Report transit damage, missing pieces or an incorrect item within 48 hours of delivery.
- Stop using any loose or unstable frame section, wooden support or bedside drawer.
- Report concealed manufacturing concerns within the written component warranty period.

What To Share

Provide the invoice or order number, delivery details and photographs of the full set and affected area. Add a short video if the issue involves movement or noise.
