

OWNER'S MANUAL

Maroven Grid Bed Set

A warm wooden bed set defined by geometric grid panels, a matching grid footboard, low platform proportions and tapered legs. Product-specific care will help protect the wood finish, panel joints and raised-leg construction over time.

Product at a glance

SET INCLUDES

1 Maroven Grid Bed + 2 matching wooden side tables

SIZES

King: 72 in W x 78 in L x 41 in H
Queen: 66 in W x 78 in L x 41 in H

ASSEMBLY

Delivered in parts; assembly required after delivery

GRID PANELS

Wooden grid headboard and matching footboard

FRAME

Low wooden platform frame with tapered legs

MATTRESS

Not included

Before first use

- Remove packaging carefully. Keep blades, tools and rough materials away from the wooden grid openings, frame edges, legs and side-table surfaces.
- Assemble on a dry, level floor. Align the headboard, footboard, side rails, slats and tapered legs before tightening the supplied fittings evenly.
- After assembly, check that the grid panels feel secure, the frame is level and the side-table drawers move smoothly. Report visible delivery concerns within 48 hours.

Everyday use

- Use the bed for normal sleeping and sitting. Do not climb on the grid headboard or footboard, and do not use the grid openings as handholds.
- Before moving the bed, remove the mattress and lift from the lower frame with several people. Never drag the bed or pull from the grid panels.

CARE & MAINTENANCE

Care for the grid, wood and tapered frame

Maroven relies on exposed wooden grid detailing and slim tapered supports, so careful dusting, dry surfaces and stable fittings matter more than heavy cleaning.

GRID PANELS

Use a soft brush or microfiber cloth through the wooden openings. Work gently around the narrow grid edges where dust collects; do not force wet cloths into the gaps.

WOOD FINISH

Wipe with a soft dry cloth following the grain. For light marks, use a barely damp cloth and dry immediately to reduce water marks or finish dulling.

SPILLS & RINGS

Wipe liquids promptly. Use coasters on the side tables and never leave wet glasses, bottles or damp fabric resting on finished wood.

TAPERED LEGS

Keep the floor level and avoid impact from vacuum heads, luggage or heavy objects. Do not drag the bed, as side pressure can strain the slim legs and joints.

SIDE TABLES

Open drawers straight and gently. Keep runners free of dust, avoid overloading the drawers, and wipe any moisture from the tops immediately.

SLATS & FITTINGS

Keep slats seated correctly and recheck accessible fittings after the first few weeks. Tighten gently if needed; stop use if movement or persistent noise develops.

PLACEMENT & SUPPORT

Use it well.

The Maroven Grid Bed Set is intended for indoor residential use in a dry, well-ventilated setting.

Important precautions

- Keep the set away from damp walls, standing water, heaters, open flames and prolonged direct sunlight. Uneven moisture and strong heat can affect wood and applied finishes.
- Do not allow children to climb on the headboard, footboard or side tables. Avoid concentrated impact on the grid edges, tapered legs and frame corners.
- Do not drill, cut, refinish, structurally modify or arrange third-party repair without ROCO guidance. If the bed becomes unstable or develops persistent noise, stop use and contact ROCO.

Warranty guidance

The Maroven Grid Bed Set is supported by the ROCO Confidence Warranty and the product-specific terms confirmed with your order.

STRUCTURE	Coverage follows the construction confirmed with your order. A qualifying principal solid-wood structure may receive up to 24 months; manufactured, engineered or mixed structural assemblies generally receive 12 months.
GRID & JOINERY	Eligible manufacturing or workmanship issues affecting fixed wooden grid sections, structural joints and their attachment are assessed under the applicable structural coverage.
HARDWARE	Eligible bed fittings, support hardware, drawer slides, handles and side-table hardware may be covered for up to 12 months.
WOOD FINISH	Eligible manufacturing-related defects affecting ROCO-applied stain, polish, lacquer, veneer or surface finish may be covered for up to 6 months.

Normal wear, gradual finish changes, scratches, moisture damage, misuse, accidental damage, pest damage and unauthorized repair or modification are not manufacturing defects. ROCO assesses the affected component first.

ROCO CUSTOMER CARE

Need assistance?

Contact us early if something does not look, align or perform as expected. Clear photos and a short video usually help us assess the concern faster.

When to contact us

- Report visible transit damage, a wrong item or a missing major component within 48 hours of delivery.
- Report assembly, levelling, alignment or missing-fitting concerns within 7 days so they can be checked promptly.
- Contact ROCO if a wooden grid section loosens, the bed develops persistent movement or noise, a side-table drawer stops working normally, or the finish shows an unexpected manufacturing issue during the applicable warranty period.

What to share

Please share your order or invoice number, the product name, selected size and finish, clear photographs of the complete bed and affected area, and a short video if the concern involves movement, noise, alignment or drawer operation.
