OWNER'S MANUAL

Arvessa Channel Bed Set

Arvessa's six rounded channels shape its padded headboard, footboard and low frame. Two matching two-drawer side tables and a coordinated dressing table complete the set.

Product At A Glance

BED SIZE REFERENCES King: 72" W x 78" L x 42" H Queen: 66" W x 78" L x 42" H	**HEADBOARD** Six rounded vertical channels Height: 42 in (107 cm)
UPHOLSTERY Smooth PU leatherette Padded headboard and frame	**FRAME & FOOTBOARD** Kikar and plywood structure Matching channelled footboard
MATCHING FURNITURE 2 two-drawer bedside tables Dressing, LED mirror and stool	**ORDER NOTES** Mattress not included Confirm fit and assembly

Before First Use

- Check the bed, side tables, dressing unit, stool, mirror and fittings on delivery. Report visible damage or missing items within 48 hours.
- Have the bed and dressing pieces assembled securely. Confirm mattress fit, drawer clearance and electrical safety before first use.

CARE & MAINTENANCE

Care For Channels And Furniture

Arvessa pairs smooth channel upholstery with rounded drawers and an illuminated dressing mirror. Gentle routine care protects the padding, seams and fittings.

CHANNEL SEAMS	Remove dust gently along the vertical seams. Avoid sharp accessories and repeated pressure on the padding.
PU UPHOLSTERY	Wipe light marks with a soft, slightly damp cloth and dry promptly. Avoid solvents and abrasive cleaners.
PADDED EDGES	Do not sit or stand on the upholstered footboard or bed rails; protect the rounded corners from impact.
SIDE TABLES	Keep the two-drawer runners clear. Open drawers evenly and do not overload or force them.
DRESSER & LED	Wipe spills promptly; keep liquids away from the illuminated mirror, wiring and power connection.
MOVING THE SET	Empty and move furniture pieces separately. Lift frame sections rather than dragging the assembled bed.

PLACEMENT & SUPPORT

Set It Well.
Keep It Secure.

Arvessa is intended for dry indoor residential use. The upholstered frame, matching cabinets and illuminated dresser need a level floor, safe clearances and correct installation.

Placement & Assembly

- Check access and bed references: King 183 x 198 x 107 cm; Queen 168 x 198 x 107 cm. Allow space for the furniture pieces.
- Have an approved installer secure the frame rails, central supports and fittings. Check that the bed is level before use.
- Keep space to open bedside drawers and use the dressing stool. Connect the LED mirror only as specified in its instructions.
- Do not overload padded rails, pull on the mirror or use damaged wiring. Stop use if the frame or fittings become unstable.

Warranty Guidance

ROCO warranty coverage is component-specific and follows the confirmed order. Qualifying structural Kikar parts may receive up to 24 months; foam, panel workmanship, drawer fittings and upholstery work up to 12 months; PU upholstery and finishes up to 6 months.

Eligible parts may be inspected, adjusted, repaired or replaced. Normal wear, stains, fading, moisture, impact, misuse, electrical damage and unauthorised repairs are excluded.

Report visible delivery or mirror damage within 48 hours. Your written order terms apply. roco.pk/warranty-policy/

ROCO CUSTOMER CARE

Need Assistance?

Contact ROCO if a channel seam separates, a drawer stops moving smoothly, the frame feels loose or the illuminated mirror has a fault. Your order details and clear photos help us review the concern.

When To Contact Us

- Report a missing item, visible transit damage or damaged mirror within 48 hours of delivery.
- Stop using any unstable bed frame, damaged drawer mechanism, mirror or electrical fitting.
- Report concealed manufacturing concerns during the applicable component warranty period.

What To Share

Share your order or invoice number, selected size and colour, delivery details and photos of the full set and affected area. Add a short video for movement, drawer or lighting faults.
